PROFESSIONAL SUMMARY

Results-driven Fleet Operations, Dispatch, and IT Support professional with international education and experience supporting transportation operations, technical support, and customer service. Skilled in coordinating driver schedules, dispatch operations, shipment tracking, transportation documentation, stakeholder communication, and Microsoft 365 administration. Experienced in troubleshooting technical issues, maintaining operational records, and delivering efficient support in fast-paced environments. Strong organizational, communication, and problem-solving skills with a commitment to operational excellence and customer satisfaction.

PROFESSIONAL EXPERIENCE

Fleet Operations Coordinator / Dispatcher

Alpha Trans Inc. | Brampton, Ontario, Canada

- Coordinated daily dispatch operations, driver schedules, and load assignments.
 - Monitored shipment progress and communicated with drivers, brokers, customers, and warehouse teams.
 - Managed transportation documentation including Load Confirmations, Bills of Lading (BOL), and Proof of Delivery (POD).
 - Assisted with route planning, appointment scheduling, and fleet coordination.
 - Resolved delivery delays and operational issues while maintaining accurate dispatch records.
 - Supported fleet maintenance scheduling and administrative reporting.
-

IT Support Technician

OverIT | Jalandhar, Punjab, India

January 2026 – April 2026

- Provided Level 1 technical support for hardware, software, printers, and network issues.
 - Installed, configured, and supported Microsoft 365 and Windows operating systems.
 - Managed user accounts, password resets, and Active Directory tasks.
 - Logged and resolved incidents using ticketing systems.
 - Supported employee onboarding and workstation deployments.
 - Delivered remote and onsite technical support while maintaining excellent customer service.
